The East of England Great Dane Club and The Great Dane Club are hosting a Breed specific seminar with optional hands-on assessment on 28 January 2018.

The Clubs are delighted to have two doyennes of the breed in **Di Johnson** and **Sue Searle** as our guest speakers talking about the breed and taking questions from the floor.

The morning seminar is an ideal opportunity for up and coming breed judges and those awarding CC's in several breeds to gain Kennel Club recognised accreditation and advance their judging career in this breed.

The hands-on assessment in the afternoon is open to all aspiring judges wishing to advance through the breed judges list to judge at breed club open shows and be considered for CCs.

Cost: £20 seminar only/ £25 seminar and assessment (both prices incl. lunch)
