

Judges Profiles

My love of Great Danes began in 1975 when as a young Veterinary Nurse I had to look after a really nice brindle called Julius who had broken his Femur and had undergone extensive surgery. He was only 12 months old but his gentleness and determination won me over and from then on I was hooked on the breed.

A couple of years later we had an adult fawn brought in to the surgery. He was a very big male, approximately 3-4 years old and in very poor condition. He had been dumped in the countryside on the outskirts of Swindon wearing just a collar with the name 'Andromedus' on it. He was picked up by an old man and brought in so it didn't take much for me to persuade my dad to have him and so it began! We called him 'Drum' and he lived for 3 very happy years, dying in his sleep in front of a big log fire one winter's morning.

It wasn't long before another fawn, 'Bodie' joined the family from the famous Ansetts kennel and then shortly afterwards a brindle bitch from the Oakhatch kennel.

Unfortunately my dad died in the early 80's and so I had to wait until I had a settled homelife before I could have another Dane. In 1994 my partner at the time's family had also had Danes and so together we bought a lovely fawn bitch from John Hunter 'Khunrath Kajeewa' aka Taz. She was sired by 'CH Dorneywood Ymir' and had a reasonably successful show career. I then purchased another fawn bitch from John and in fact all of my Danes since have been line-bred to the Khunrath and Garsak lines.

From my second litter, I line bred a bitch that was bred by Alan Cutter, Dapledan Star Attraction, to Hilary Baker's 'Toscade Total Eclipse at Preveli' and that produced 'CH Calomar Total Stardom', or Drummer as he was affectionately known. He had the most fantastic temperament and a beautiful head with a full black mask. He was mated to 'CH Garsak Blaze' and this produced 'CH Garsak Sir Alfie' and of course my favourite boy 'Garsak Sir Franklyn'. Another mating with Drummer to Sheen Booth's 'CH Roucandane Tiger Dawn' produced the fabulous 'Miller'. Drummer's litter sister was mated to Tantallon Celtic Advocate at Baadwood and this litter produced two beautiful bitches, 'CH Calomar Chasing Dreams for Lijensa' and 'Calomar Ruby Rock Star' who we tragically and very suddenly lost a month before her 3rd birthday with Peritonitis. I must admit following this I was heartbroken and felt like I couldn't show any more. It was only after about 6 months that a little brindle bitch was given to me by Sheena, 'Roucandane Razzle Dazzle' aka Brodie and so I entered her into a few shows and gradually the loss of Ruby began to fade. Brodie was mated to 'CH Jaydania Fred Astaire' which produced 'Calomar Chasing Stardom', Boris who gained ICC and is now living happily in retirement with his colleague in crime Jaydania Tenna See (1 RCC).

My love for the breed is as strong as ever and I would like to thank the Great Dane Club for the opportunity to judge males at their Open show. I am really looking forward to going over some lovely dogs.

16. **DOGS IN VEHICLES ON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - o When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - o If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - o The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog. When at the show, never leave your dog in the vehicle. Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated. Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations. Right to Refuse Entries. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock

- collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for competition entries will be accepted. Details of each dog so entered must be recorded on the entryform and must be Kennel Club Registered.
 19. No modifications will be made to the schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine press wherever possible.

WHAT IS A BACK TO BACK SHOW?

Both The Great Dane Club and the Great Dane Breeders' & Owners' Association will be running their own shows but they will both be held at the same venue in the same hall. This means that you can attend both shows but only pay one lot of travelling expenses.

HOW WILL THE SHOW BE RUN?

Both clubs have worked hard together to arrange the show so that you can get the best out of each of the shows and not miss any classes.

THERE WILL BE TWO RINGS?

The Great Dane Club will start with Bitches and The Great Dane Breeders' & Owners' Association will start with Dogs.

HOW DO I ENTER BOTH SHOWS?

Simply complete each club's entry form in the normal way and send it to the addresses shown on each to the entry forms with your payment made payable to each respective club. Kennel Club rules mean that we cannot combine the entry and payment process for you so please ensure that you send the relevant form to the right show manager.

DO I NEED TWO CATALOGUES?

Unfortunately you will need to purchase one for each show, i.e. one for The Great Dane Club and one for The Great Dane Breeders' & Owners' Association. This is a directive from The Kennel Club although we are working on this with them and hope that at some point in the future we may be able to combine it.

We want your Feedback

We would like to contact all those who enter at this back to back show to gather your feedback on the day. What was good and what we should look to improve. We run these shows for you and therefore want your feedback so please help us to gather it by providing your contact details. Please enter your email address on your entry form.

We will then contact you after the show to gather your feedback

THE GREAT DANE BREED COUNCIL

It has been brought to the Council's attention that the temperament in Great Danes is deteriorating. Therefore this notification will be in Schedules and Catalogues. It is intended as a guide to both Judges and Exhibitors.

K.C. Rule 15 – Exclusion of Dogs

If in the opinion of the Show Secretary, Show Manager or Judge any dog is considered not in a fit state for exhibition owing to disease, savage disposition or any other cause, the dog may be excluded from the Show on the instruction of the Show management. Once excluded or removed from the Show the dog must not be brought into the Show at any time under any circumstances and the case must be reported in full to the Kennel Club within 7 days.

Judges may send the dog out if the dog appears to have an aggressive disposition.
